

## General Donation Guidelines

- Except in very special cases, donations will only be considered for non-profit organizations.
- Donations will be made directly to the non-profit, 501(c)(3) organization. As a general rule, we do not consider donation requests from a third party raising funds for an organization we directly support. Requests for individuals or families should be submitted to appropriate social service organizations in your community.
- Preference is given to children's, educational, religious and social service organizations. As a company, we also have a strong commitment to cancer survivorship programs.
- Generally speaking, organizations are limited to one donation in a single year. Regardless of the level of funding requested, the process begins with a Donation Request Form. Simply complete the form, attach any supporting information and forward it to your Store Director or Regional Office, depending on the type/amount of funding sought. All donation requests should be submitted a minimum of 3 weeks in advance of the date that the donation is needed. Responses may take several weeks to process.
- Look for one in the "From the Heart" display at United Supermarkets, Market Street or Amigos store.
- Do not submit a Donation Request Form to multiple store for the same event. Please designate a single contact person for your organization.
