Two New Market Street Stores to Open in 2015

Albertsons Market stores in Midland and Odessa will be converted to unique, one-stop shopping experience

(LUBBOCK, Texas) – [The United Family](#)[®] today announced the opening of two new [Market Street](#) stores in Midland and Odessa as a result of a complete transformation of an Albertsons Market store in each city.

“We are thrilled to introduce the Market Street brand to Midland and Odessa,” said Robert Taylor, president of The United Family. “We have been looking at both cities for quite some time to find the right location. This is a unique opportunity and these Albertsons Market stores are perfectly suited to be transitioned into Market Street stores.”

The construction phase of the store conversion will begin soon in Midland at the location on N. Midkiff Road and is scheduled to be completed in early summer. The construction phase of the store conversion for the Odessa location at E. 42nd Street will begin in the spring with an estimated completion during the fall.

“Our goal is to minimize the impact to Guests as much as possible while construction is occurring,” added Taylor. “We will remain open, and we have a plan in place to ensure that Guests can continue shopping with us throughout the process.”

Each location will undergo an extensive transformation into a true Market Street featuring an expanded bakery, spectacularly fresh prepared food options, in-store dining space, coffee shop, bulk food and Living Well sections. Market Street is the grocery destination for Guests seeking more than just everyday essentials delivered with unmatched customer service.

In addition to these Market Street stores, an Albertsons Market in Abilene is also scheduled to be transitioned to a Market Street with an estimated completion date in early summer.

With the completion of these conversions there will be 15 Market Street locations throughout Texas: Abilene, Allen, Amarillo, Colleyville, Coppell, Flower Mound, Frisco, Lubbock (3), McKinney, Midland, Odessa, Plano and Wichita Falls.
