New Market Street® Grocery Store to Open in 2016

*Albertsons Market in San Angelo will be converted to unique,
one-stop shopping experience*

(SAN ANGELO, Texas) – [The United Family](#)® today officially confirmed the opening of a new [Market Street](#) store in San Angelo as a result of a complete transformation of the Albertsons Market at 3121 Sunset Drive.

“We are thrilled to introduce the Market Street brand to San Angelo, which is a community our team members have embraced since beginning operations here nearly two years ago,” said Robert Taylor, president of The United Family, which operates [United Supermarkets](#), Market Street, [Amigos](#) and [Albertsons Market](#) in West Texas, Dallas-Fort Worth and Eastern New Mexico. “Market Street offers a unique shopping experience that San Angelo guests will enjoy with expanded options and services plus the same great service they have come to expect from us. This Albertsons Market is perfectly suited for the transition.”

The store will undergo a significant transformation into a true Market Street featuring an expanded bakery, extensive fresh prepared food options, in-store dining space, Starbucks® coffee shop, bulk food, a Living Well section and more. Market Street, whose motto is “where everyday meets gourmet,” is designed to provide an unmatched shopping experience for guests who care about food.

The construction phase of the store conversion is currently underway and is scheduled to be complete this summer.

“Our goal is to minimize the impact on guests as much as possible while construction is underway,” added Taylor. “We will remain open and have a plan in place to ensure guests can continue shopping with us throughout the process.”
