United Supermarkets Offers Guests Fuel Discount Promotion to Combat Rising Gas Prices

United Express will accept fuel discount vouchers earned through grocery purchases

(LUBBOCK, TEXAS) . [United Supermarkets](#) (United) will help its store guests combat the rising cost of driving this spring by offering a fuel discount with their in-store purchases.

Between March 28 and May 22, guests will earn discounts on their fuel purchases at all United Express fuel stations in Lubbock, Amarillo and Wichita Falls when they shop at United Supermarkets, Market Street and Amigos locations.

United is dedicated to providing added value and convenience for our guests, said Wes Jackson, chief merchandising officer for United Supermarkets, LLC. We hope this promotion will make it easy for guests to save at the pump simply by doing their routine grocery shopping.

Guests will receive a fuel voucher discount code on their receipt when they checkout in the store. Tobacco, gift card and fuel purchases will not earn fuel discounts.

The fuel discount may be redeemed at any west Texas United Express fuel station by entering the discount code at the pump or presenting the fuel voucher discount code to the fuel station attendant prior to payment. The discount code is valid for 14 days from the date on receipt and is redeemable on up to 25 gallons of fuel.

Discounts will be provided as follows:

- \$49 to \$69.99 spent in-store: 5¢ off per gallon
- \$70 to \$99.99 spent in-store: 10¢ off per gallon
- \$100 to \$149.99 spent in-store: 15¢ off per gallon
- \$150 or more spent: 20¢ off per gallon
