Construction Underway on Expansion of Two Expanded United Express Fuel Kiosks *Projects will offer walk-in convenience service by late May*

(LUBBOCK, Texas) – [United Supermarkets, LLC](#) announced today that construction is now underway to expand the kiosk at its Levelland and Muleshoe stores, which will provide walk-in convenience service at their United Express fuel stations.

Each project will expand the existing fuel station to approximately 370 square feet, with walk-in access on two sides. Guests will have the opportunity to purchase a wide variety of convenience items, including freshly brewed coffee, iced tea, breakfast burritos, milk, bottled water, canned and bottled soda, candy, gum and an assortment of other grab-and-go snacks.

The projects are scheduled for completion before Memorial Day, according to Tandy Arrant, convenience business manager for United Supermarkets, LLC.

“We believe our Levelland and Muleshoe guests will truly enjoy the added convenience that this project will bring to our fuel store,” Arrant said.

Hours of operation are 7 a.m. to 9 p.m. daily at both fuel stations.

The projects are part of a multi-year effort to expand the company’s convenience offerings at existing fuel locations. The United Express brand also includes five freestanding, full-service convenience stores, with two other locations currently under construction in Borger and Dumas. Future locations are already planned in Amarillo and Hereford.
