**(WICHITA FALLS, Texas)** – [United Supermarkets, LLC](#) announced today that construction is now underway to expand the kiosk at its Iowa Park Rd. location in Wichita Falls, which will provide walk-in convenience service at its United Express fuel station.

The project will expand the fuel station to approximately 370 square feet, with walk-in access on two sides. Guests will have the opportunity to purchase a wide variety of convenience items, including freshly brewed coffee, iced tea, breakfast burritos, milk, bottled water, canned and bottled soda, candy, gum and an assortment of other grab-and-go snacks.

Target date for completion of the project is mid-July, according to Tandy Arrant, convenience business manager for United Supermarkets, LLC.

“We believe our Wichita Falls guests will truly enjoy the added convenience that this project will bring to our fuel store,” Arrant said.

Hours of operation are 7 a.m. to 9 p.m. daily.

Additionally, United plans to build a new, full-service United Express convenience store at its 4516 Jacksboro Highway location. Construction for that project is scheduled to begin later this summer.

The projects are part of a multi-year effort to expand the company’s convenience offerings at existing fuel locations. The United Express brand also includes five freestanding, full-service United Express convenience stores, with two other locations currently under construction in Borger and Dumas. Future locations are already planned in Amarillo and Hereford.
